TOO MANY ANIMALS, NOT ENOUGH HOMES!

WHY SPAY OR NEUTER?

- Your pet will live a longer, healthier life—reduces your pet's risk of cancer.
- Saves on vet bills.
- Eliminates messy and annoying heat cycles.
- Greatly reduces urine spraying and marking.
- Stops pets from roaming.
- Your pet will behave better and will be easier to train.
- Protects children from dog bites—neutering reduces aggression.
